

Maine Association of Football Officials Augusta Maine Chapter

2021 Football Interpretation Meetings

There will be no NFHS new rules interpretations meetings this year. There will only be 1 rule change from 2019 to 2020 and with the pandemic the NFHS recommended to use the 2020 rules book for the 2021 season.

Athletic Directors: Please pass this information on to your coaching staff, as in the past someone from the football coaching staff was required to attend the new rules meeting and where there is no new rules meeting, obviously no one needs to attend.

Paul McCarty
