

## MAFO communication kit for the 2022 season

This upcoming season the expectation is to have your own radio/headset for varsity level games. Dan Labrie has worked with **Ump-Attire.com** and they have agreed to give our members a discount (9% off entire order) to use at checkout. **That code is MAFO22**, Below is a breakout of what you'll need, if you buy your own \$79.99 2 pack you're all set, if you want to split the cost and order this with another member you'll need the additional \$11.99 charger since the 2 pack only comes with one charger.

If you have any questions at all contact Dan Labrie 207-576-9531 or [labrie.daniel@yahoo.com](mailto:labrie.daniel@yahoo.com)

### MIDLAND REFEREE COMMUNICATION SYSTEM - 2 PACK

#### DESCRIPTION

This Referee Communication System by Midland makes on-field game communication for your crew quick and easy! Works great for training, too.

Each package includes 2 radios, 2 headsets (2 microphones and ear pieces) and 1 charger. Buy multiple packs up to your crew size. (Example: Crew of 4, grab 2 packs.)

Each crew member: clip a radio to your belt, clip your microphone to your collar and put in the ear piece. Set your radio to the same channel. Now your crew can communicate hands-free with voice-activation just like officials at the collegiate and pro levels.

### MIDLAND DUAL PIN CHARGER

#### DESCRIPTION

Need an extra (or spare) charger for your Midland Referee Communication System? This Dual Pin charger will allow you to charge up to two radios at once. Simply insert the pin into the mic jack and plug into a power source.
